

GREEN TEAM NEWS

GREEN TEAM NEWS

Green Team is collecting EGG CARTONS for a project. Please send egg cartons to Mrs. Brandal. Thank you.

Green Team developed a pledge at their October meeting. Here it is: As a member of Naldrett's Green Team, I will encourage my family and friends to follow the 5 R's - Refuse, Reduce, Reuse, Repurpose, and Recycle. I will promote cleaner transportation. I will strive to reduce the use of energy and water to help protect the environment for a better planet Earth!

NOVEMBER GREEN TEAM MONTHLY CHALLENGE

CARING FOR BACKYARD ANIMALS

Challenge 1 - Leave the Leaves

Don't rake and throw away ALL the fallen leaves this fall. Animals need leaves for building nests and keeping warm.

LEAVE THE LEAVES (at least some) to help the animals this winter. Here is more information :

[5 Tips On Leaving The Fall Leaves VIDEO](#)

Challenge 2 - Feed the Birds

Feeding birds is a fun year-round family activity.

If you START feeding birds, you should continue through the whole winter. If you do not have a birdfeeder, you could always make one. Find a design online. This video explains what birds can and cannot eat and has some simple birdfeeder ideas:

[Make Your Own Recycled Bird Feeders VIDEO](#)

If you want your picture in the next Green Team Newsletter, send a picture of your birdfeeder to Mrs. Brandal @
